BC Connects/BC Strong Question of the week

Q. Has food in the cafeteria been limited to one-serving because of COVID-19 and “to-go” meals?

A. No. Although the Centers for Disease Control and Prevention (CDC) guidelines state that food in cafeterias must be ‘grab-and-go’ and not buffet style -- **if you are dining inside the cafeteria (50 max capacity on the main floor and 60 max capacity upstairs), you may return to the food service line (with new cutlery) for additional food servings.**
Reminder that Laurene’s is open for carryout only – Breakfast, Lunch and Dinner- for the entire campus.
