Section C: Team Rotation

1. Shall be chosen by lot/draw at the registration meeting.
 - a. An Advisor from each competing post will draw a team number. This will represent your position in the schedule.
 - b. Each Advisor will then draw a second number to determine the start of the team rotation. This number will indicate which explorer will begin the rotation.
 - i. If the number 4 is drawn then the 4th explorer on the roster is first on the rotation.
 - ii. If the event requires 4 team members then number 4, 5, 6, and 7 will participate.
 - iii. Team members then rotate accordingly at the next event.
 - c. Posts will adhere strictly to the rotation schedule
2. Shall be maintained unless an injury or illness forces a member out of the sequence. Deviation from the approved rotation may be grounds for disqualification.
 - a. Head Judge and/or State Advisor must be notified.
 - b. If member is unable to compete they will not be replaced unless the post petitions the state advisor. The explorer may not compete again that day.
