

2025 - 2026 Standard Verification V1

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. Federal law requires that an institution verify certain information that has been listed within the FAFSA before federal aid can be disbursed. To complete the federal verification process, the Financial Aid & Scholarships Office at Benedict College will compare the information that has been listed on your FAFSA to the information listed on this worksheet along with other documents submitted. If there are differences, your FAFSA information will need to be corrected. Please complete this worksheet, sign, and submit to the Financial Aid & Scholarships Office as soon as possible to prevent any delays in the disbursement of your aid.
